2019 MKC

Accessible MKC Brochure PDF

THE LUXURY EXPERIENCE REDEFINED

Time is the ultimate luxury, which is why Lincoln is dedicated to helping you spend more of yours the way you prefer. As an MKC driver, you'll be able to access remote vehicle features, contact a Lincoln Concierge, as well as find and pre-pay for parking in select cities, quickly and easily with the Lincoln Way™ app on your mobile device.[1] You'll continue seamlessly through your day while maintaining your vehicle with our complimentary Lincoln Pickup & Delivery™ service.[2] Plus, we're working with CLEAR® to help you soar through lines at the airport.[3] It's all part of an exclusive collection of services we call the Lincoln Way – benefits designed to help uncomplicate your life and make each day more effortless.

As it senses your approach, the 2019 MKC elegantly illuminates, greeting you with the new face of Lincoln. Dynamic signature lighting beneath its LED headlamps, a luminous welcome mat and backlit door handles all perform in a carefully orchestrated order, to offer you a welcoming embrace. Take your seat, and the autofold[4] sideview mirrors deploy to your personalized settings. The overall experience is one of comforting reassurance. Your MKC knows you've arrived.

[1]Lincoln Way app is available via download and compatible with select smartphone platforms. Learn more at lincolnway.com. Message and data rates may apply. [2]Lincoln Pickup & Delivery is valid for owners of 2017 or newer model-year Lincoln vehicles. Service available for retail and warranty repairs. Mileage limitations may apply. See dealer for details. [3]CLEAR Program eligibility for new retail purchases of 2018 and newer model-year Lincoln vehicles (12 months on Lincoln Black Label models; 6 months on all other Lincoln models). Full CLEAR enrollment, including biometrics, required to be completed within 120 days of vehicle delivery. [4]Available feature.

GRACEFUL SENSE OF COMPOSURE

Within this meticulously crafted space, you'll find everything has its place. Streamlined controls are arranged within easy reach, and sophisticated technologies are designed to respond to familiar motions. A pinch of your fingers is all it takes to zoom into a detailed navigation system[1] map while scouting that new home décor store. On your way home, the quick pull of a lever folds either side of the 60/40 split rear seat down, creating a flat load floor and an abundance of room for your latest finds.

The personal touches continue as you slide behind the Wollsdorf[1] leather-wrapped, heated[1] steering wheel that was individually hand-stitched for you by a Lincoln artisan. A convenient memory feature recalls your customized settings for the driver's seat, the power[1] tilt and telescoping steering column and more, each time you return. Ambient lighting[1] bathes the doors, cupholders and footwells in your preference of 7 soothing hues to help you easily access these areas after sundown. A press of the push-button start brings the engine to life. And the class-exclusive[2] push-button shift transmission displays each gear as a button of its own – making it simple for you to select Drive and begin your next journey.

[1]Available feature. [2]Class is Luxury Small Utilities starting under $53,000 based on Lincoln segmentation.

IMMERSING YOU IN TRANQUILITY

MKC is designed to help you gather your thoughts and find your focus. Acoustic-laminate glass in the windshield and front doors helps minimize wind noise. A particulate air filter traps pollen and other irritants to help you breathe easy, while Active Noise Control helps refine engine sounds to enhance the cabin's ambience.

No matter the conditions outside, MKC can help you relax inside with heated and cooled[1] front seats, and heated rear outboard seats,[1] all trimmed in luxurious Bridge of Weir Deepsoft™ leather.[1] Created exclusively for Lincoln, this premium, naturally milled leather is made from the finest hides in northern Europe. It's chromium-free and offers you a level of comfort more often found with upscale furniture. French seams and genuine wood[1] interior accents reflect your refined taste.

Treat yourself to magnificent views through the power panoramic Vista Roof.®[1] It features a one-touch open/close operation, as well as a vent position and a power sunshade. With the key fob in your pocket or purse, a simple kick of your foot beneath the rear bumper opens or closes the Hands-Free Liftgate.[1] MKC brings an extra measure of elegance to your every day.

[1]Available feature.

LINCOLN
SYNC® 3

VOICE-ACTIVATED SIMPLICITY

SYNC 3 makes it easy to listen to your favorite music, handle phone calls, and even control compatible mobile apps, while you're on the go.[1] It all works through simple voice commands and the controls on your steering wheel. The system also includes Apple CarPlay™ compatibility[2] and Android Auto™ compatibility.[2]

With SYNC 3 AppLink®[3] and the Lincoln+Alexa app,[4] Amazon Alexa users can access thousands of the skills and services they enjoy on the Echo in their home – including control of connected smart home devices. With the app started on your connected phone, you can say things like "Alexa, lock the front door of my house." SYNC 3 AppLink also works with the Waze™ community-based traffic and navigation app[5] on your iPhone.®

SiriusXM®

SiriusXM® gives you music, sports, comedy, news and more – in your MKC and on the go with a 6-month All Access trial subscription.[6] Plus, you'll enjoy a 6-year prepaid subscription[6] to SiriusXM Traffic and Travel Link® services – the longest of any automobile manufacturer[7] – with the Voice-Activated Touchscreen Navigation System.[8] Take advantage of all the latest traffic and travel information, along with vivid 3-D maps and pinch-to-zoom capability, on the large touchscreen within easy reach of the driver and front passenger.

THX

RICH, FULL SOUND

The Enhanced THX® II Certified Audio System[8] gives every person in your MKC a front-row seat to the concert. Patented sound-processing technology distributes your music's bass evenly throughout the interior and, together with 14 speakers, brings the details of the studio to every drive.

QUICK STREAMING

Passengers can surf the web, stream music and more while you're driving, and up to 50' away from the vehicle when it's parked, using Lincoln Connect.™[9] It's an integrated 4G LTE Wi-Fi hotspot that can host up to 10 devices at a time. For help making the most of this, or any other MKC feature, remember your Lincoln Concierge is available 24/7.

[1]Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. [2]Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. [3]Certain restrictions, 3rd-party terms, or message and data rates may apply. Commands may vary by phone and AppLink software. [4]Requires available SYNC 3 AppLink version 2.2 or higher. Certain Alexa functionality is dependent on smart home technology. [5]Requires available SYNC 3 AppLink version 3.0 or higher. [6]After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. [7]Source: April 2018 analysis of satellite data service offers by SiriusXM to automobile manufacturers in the U.S.A. [8]Available feature. [9]See footnote 1 on Specifications page titled "Standard Features," and your Lincoln Dealer for details.

SPIRITED IN ITS RESPONSE

You'll find joy on city streets, country lanes, and all the roads in between, driving the nimble MKC. Through advanced software and engineering, standard Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility.[1] This takes place seamlessly behind the scenes, without any need for driver input, so you can stay focused on the ride.

Imagine yourself gliding effortlessly along – at peace with your surroundings. Lincoln Drive Control featuring Adaptive Suspension[2] can take you there by helping to isolate your MKC from road imperfections. To personalize your ride, explore each of the 3 drive modes – Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that helps you feel confident behind the wheel.

Turbocharged 2.3-liter I-4[2]
285 hp[3]/**305** lb.-ft. torque[3]

Turbocharged 2.0-liter I-4
245 hp[3]/**275** lb.-ft. torque[3]

To offer the kind of performance you might expect from a V6, the 2.3-liter[2] and 2.0-liter engines both use turbocharging and direct fuel injection. They also use twin independent variable camshaft timing (Ti-VCT) to help optimize efficiency. With the 2.0-liter and Auto Start-Stop Technology,[2] MKC has an EPA-estimated rating of 27 hwy mpg.[4]

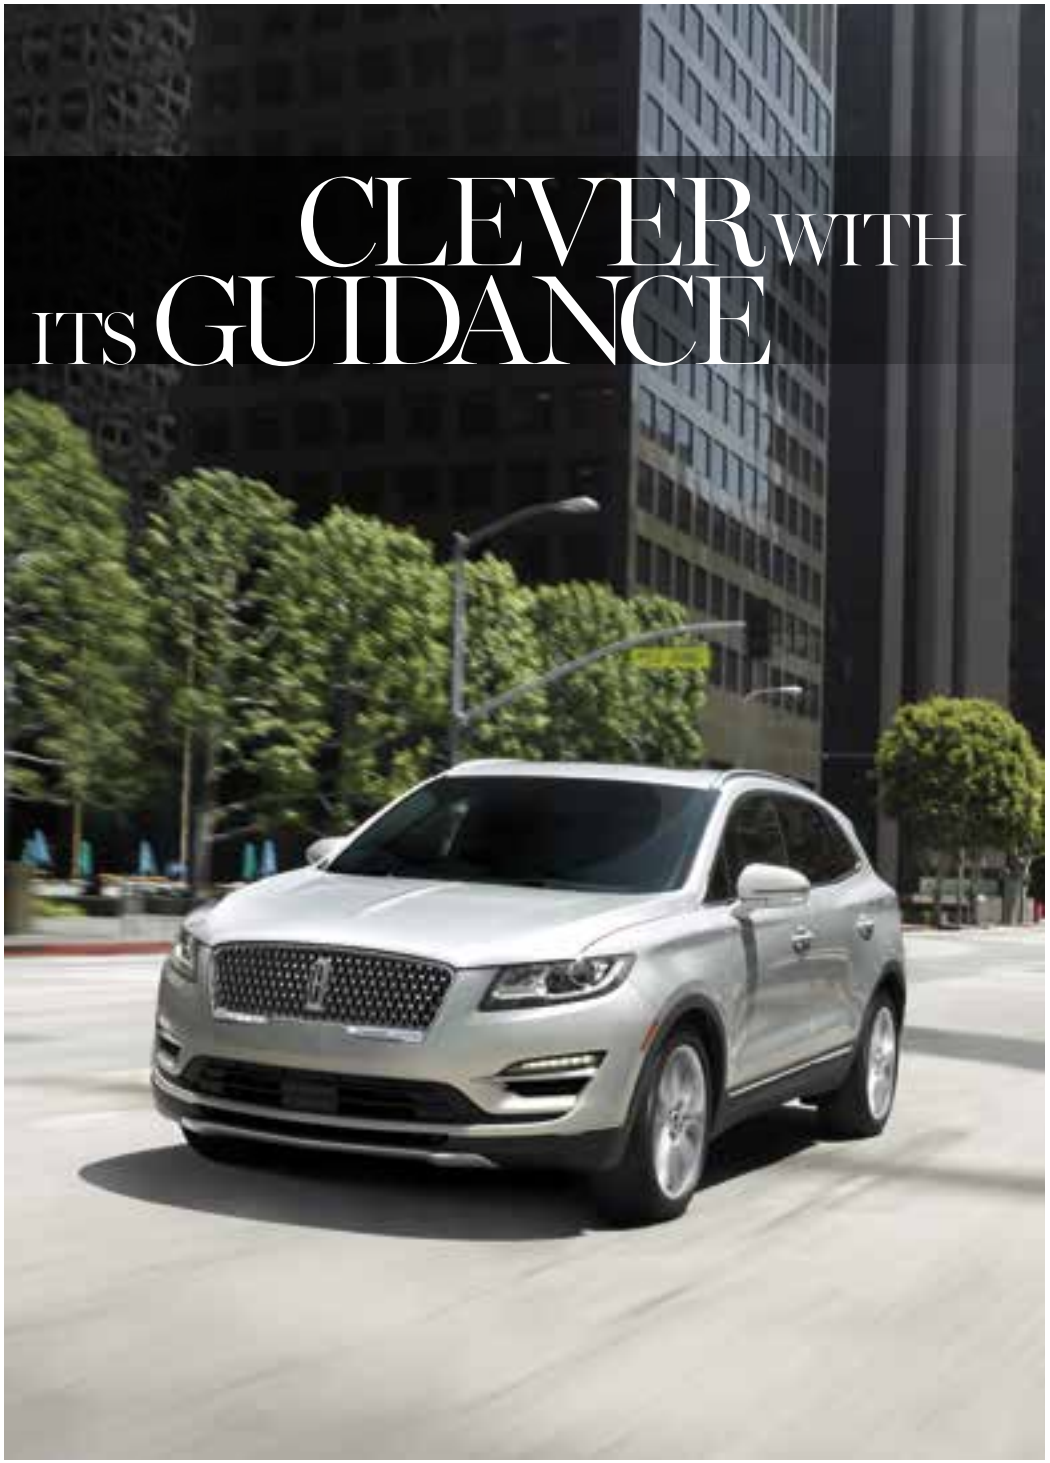
The 2.3-liter pairs with Intelligent all-wheel drive (AWD)[2] and Adaptive Suspension[2] for inspiring performance all around. Engage its Sport drive mode to tighten suspension tuning, firm up steering calibration, and hear more powerful engine sounds in the cabin – all while feeling blissfully connected to the road. Finding your way becomes pure pleasure in MKC.

[1]Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
[2]Available feature. [3]Horsepower and torque ratings achieved with 93-octane fuel. [4]EPA-estimated rating of 20 city/27 hwy/23 combined mpg, 2.0-liter FWD. Actual mileage will vary.

CLEVER WITH ITS GUIDANCE

An informed driver is an empowered driver. That's the belief that inspires our extensive collection of driver-assist technology.[1,2]

These smart features[2] utilize a network of radar and ultrasonic sensors, plus sophisticated cameras, to help guide you through all sorts of scenarios. From backing out of a driveway or parking spot onto a busy street, to dealing with the fatigue-inducing stop-and-go traffic that comes with so many commutes, MKC can help ease your drive.



[1]Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [2]Available feature.

REAR VIEW CAMERA
Visual help when the vehicle is in Reverse

REVERSE SENSING SYSTEM
Audible guidance while backing up

AUTO HOLD
Help at stoplights and other long waits – even on hills

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT[1]
Helps while you're going forward and slowly backing up

Within the Technology Package:

PRE-COLLISION ASSIST WITH PEDESTRIAN DETECTION
New to MKC – also features Automatic Emergency Braking[2]

ACTIVE PARK ASSIST WITH PARK OUT ASSIST
For maneuvering into and out of parallel spots

ADAPTIVE CRUISE CONTROL
Helps while cruising down the highway

FORWARD SENSING SYSTEM
Audible guidance for low-speed maneuvers

LANE-KEEPING SYSTEM WITH DRIVER ALERT SYSTEM
Can help alert you if you start to drift out of your lane[3]

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [1]Available feature. [2]Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. [3]Lane-Keeping System does not control steering.

THE LINCOLN WAY

LINCOLN *PICKUP & DELIVERY*

When it's time for service, you can simply schedule a Lincoln Pickup & Delivery™ appointment with the Lincoln Way™ app[1] or by phone. We'll handle the rest. We'll pick up your vehicle and deliver it back to you when service is complete.[2] In between, we'll provide a complimentary Lincoln loaner[2] – so your time remains distinctly yours. Plus, we'll return your Lincoln washed and ready for your next journey.

LINCOLN & CLEAR

Together, we're helping you put travel stress on standby. CLEAR® biometric technology allows members to bypass security lines at 30+ of the busiest airports and sports stadiums across the nation, getting them through security in about 5 minutes or less. As a 2019 Lincoln MKC owner, you and your spouse or significant other can enjoy a 6-month complimentary CLEAR membership.[3] Take your first step around the line by redeeming your Lincoln benefits with CLEAR.

LINCOLN WAY® APP

Downloading the Lincoln Way app[1] to your mobile device makes it easy to connect with us. The app lets you schedule Lincoln Pickup & Delivery, find fuel and compare prices, and even find, reserve and pre-pay for parking in select cities. Use it to contact a concierge, securely manage your Lincoln Automotive Financial Services account, and more. The app also works with Lincoln Connect™[4] to let you locate your vehicle, start it, and lock or unlock its doors from virtually anywhere.

LINCOLN CONCIERGE

You have a 24/7 personal connection to the latest information about Lincoln vehicles, services and ownership benefits. Simply choose how you'd like to connect, and a highly trained Lincoln Concierge team member will help you explore Lincoln in the way that suits you best. Call (800) 521-4140. Chat online at Lincoln.com. Or reach us through the Lincoln Way app.[1] Anytime of the day or night.
